This is your Mecca. Journey's ended when you reach this store, matters not whether wants are for own consumption or for the delectation of your friends. Such diversified lines of Table Linens, Table Sets, Towels, Napkins, Doylies, Bed Spreads, Lace Curtains, Readymade Sheets, Pillow Cases, Bolsters, etc., are rarely seen outside of cities twice the size of Wheeling. Attention is particularly directed to the Readymade Bed Supplies, which we guarantee to cost no more than the unmade materials. Some noteworthy specimens of hand hemstitching among the Pillow Cases and Sheets.

## BLANKETS AT SPECIAL Christmas Prices!

We think we have the largest stock hereabouts. They are the famous napped, unnaped and unshrinkable St. Mary's Blankets—come in white, natural and scarlet—in ten, eleven, twelve and thirteen quarter sizes. Some dealers tell their customers that thirteen-quarter sizes are not made. WE have them, and best of all, the smallness of the prices we ask will be a pleasant surprise to those who have not purchased Blankets for a number of years. A number one article at \$3.75 a pair—\$11.90 is the extreme limit; it buys their famous "Edelweiss."

Fined for Stealing.

A. M. Frederick, the pipe organ repairer, who was arrested day before yesterday on a charge of stealing jewelry from J. W. Grubb, was yesterday arraigned before Squire Gillespie on a charge of petty larceny, and was found guilty and fined \$10 and costs.

Chief McNichol Home.

Chief of Police McNichol returned yesterday from Columbus, where he took a girl to the House of the Good Shepherd. He also looked into the case of a man who is wanted here for petty larceny, but as he would not come voluntarily and a man cannot be brought on requisition papers, nothing could be done in the case.

Catholic Bazaar and Festival.

The Catholic bazaar and festival opened last night in the basement of the Cathedral with a large attendance, and promises to be an eminently successful affair. The refreshment tables were filled with toothsome delicacies, and the bazaar booths contained attractive and useful articles exposed for sale. The tables and booths were in charge of the matrons and maids of the congregation, and it was seldom a visitor left without buying owing to the persuasive eloquence and pleadings of the fair sellers. The bazaar and festival continues to-night and to-morrow night, with an elegant luncheon served at noon on both days. As the proceeds are to be devoted for the benefit of poor the affair should receive the most liberal patronage.

Fire at Bridgeport.

A little after 5 o'clock last evening fire broke out from the loft of Dr. J. O. Howell's stable, in Bridgeport. A valuable young horse and a buggy and harness were in the stable, besides a considerable amount of grain and hay. The horse and buggy were gotten out and the alarm of fire raised. The Island fire department was soon on the scene and throwing water, but the fire had reached such proportions that no efforts could save the building and contents, which were an entire loss. The loss is \$300 or \$400, with a partial insurance. The origin of the fire is unknown, but it is supposed to have originated from some careless boys in the loft. The fire collected a large crowd, and threatened at one time to endanger valuable dwellings adjoining.

The Record Broken.

Sometime ago the INTELLIGENCER gave the record of Jacob Snyder, the well known iron merchant of this city, who since 1856 had voted for every Republican candidate for President. T. C. Edwards, of Benwood beats that record. He has voted at every presidential election since 1836, when he voted for William Henry Harrison. In 1840 he again voted for the same candidate. In '44 he voted for Henry Clay, and in '52 for Franklin Pierce—the only Democrat he ever voted for. The record of his presidential votes since then follows: 1856, John C. Fremont; 1860, John Bell; 1864, Abraham Lincoln; 1868, U. S. Grant; 1872, U. S. Grant; 1876, R. B. Hayes; 1880, James A. Garfield; 1884, James G. Blaine; 1888, Benjamin Harrison; 1892, Benjamin Harrison—and he is still hale and hearty and a good Republican.

## RESTORATION ASKED

Of the Line Between the Second and Third Wards.

## LAST NIGHT'S COUNCIL MEETING

Developed Little of Interest—A Short Discussion on the Change of the Ward Lines, and a Few Transfers of Liquor Licenses were the Principal Things.

When the city council was called to order shortly after 8 o'clock last evening there was a bare quorum present. Clerk Thoner proceeded to shout the minutes of the last previous meeting.

Isaiah Tuttle, at 75 Main street, applied for a transfer to him of license to keep saloon, which was recommended by the committee. The transfer of Jacob Zell's license at 1411 Market street to C. William Welty and T. S. Rempe was also approved, as was that of Ella Fahey to Frank Hieck, at 1617 Market street. The applicants and sureties appeared and were sworn.

The police committee reported bills for \$67.94 on account of the police department and \$128.42 on account of the work house, which were ordered paid. The report of the committee on elections, fixing the voting places in the various precincts, as already printed in the INTELLIGENCER was read and adopted. It must by law be made a matter of record, and is therefore put in the form of a resolution of council. The other recommendations of the elections committee were also adopted.

A resolution was adopted requiring the B. & O. railroad company to place safety gates at Forty-third and Jacob streets.

A numerous signed petition was presented by Mr. Hupp, asking that the recent change of the line between the Second and Third wards be reconsidered. A motion to receive and file was lost by a tie vote, and Mr. Hupp moved to grant the prayer of the petitioners. Mr. Gruse moved to refer this to the city solicitor, which was lost by a tie vote.

There was a great deal of discussion on the legal phases of the question, as well as in regard to what the people interested wanted, and the councilmen from the two wards agreed that the people involved wished to be restored to the Third ward. It was stated that they had voted in that ward for twenty years. Mr. Gruse thought if they had voted there a hundred years wrongly that was no reason they should do so longer. Mr. Wheat read the state law and the ordinances governing the matter, and Mr. Gruse held that this had all been superseded by the Australian ballot law. He moved to refer to the committee on elections and solicitor jointly for report. This was adopted by a vote of eleven to nine.

The first branch concurred in everything sent over from the Second.

The Modern Mother

has found that her little ones are improved more by the pleasant laxative, Syrup of Figs, when in need of the laxative effect of a gentle remedy than by any other, and that it is more acceptable to them. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.

SUITS AND OVERCOATS—THE HUB CLOTHIERS.

If Ever There Was a Time When . . . THE

## -HUB CLOTHIERS-

Could Justly be Proud and Grati-  
fied at the Result of Their Business,

THAT TIME IS NOW ! . . .

This season will surely prove the season of all seasons, that will make everybody realize more than ever that our establishment with its great stock of merchandise is just as important and necessary to the people of Wheeling and surroundings as ever a concern could be. We know that people have eyes to see and brains enough to form their own opinions. So we conclude it is a mighty ridiculous thing, indeed, to try and convince the enlightened public that "black is white." Yet, in substance, that is just what certain houses in the city are trying to do when they rant, splurge and splutter about their amazing big stocks and low prices. THE HUB CLOTHIERS are the pioneers of low prices in Wheeling, and the only house in which a child can buy as cheap as the shrewdest buyer. They have fairly revolutionized the old fogy notions that once degraded the retail clothing trade. They have opened the road to improvement by adopting sensible and progressive methods. In a word, they have prospered and advanced to such a degree that Slow Going and Away Behind Concerns will never, never merit the claim of being Even Their Competitors. We do not scheme to catch your dollars regardless of the results to you. We strive through merit alone. It's liberality, not greed; pluck, not luck; upright business methods, not antediluvian ideas, that have served to enroll on our list of patrons the greatest army of wearers of Perfect Clothes in the State. How long will you sleep, you who allow skepticism or let well enough alone policy to hold you with that stubborn grip? By all means call and see our stock and learn our prices. It'll be money in your vest pocket.

## SUITS! OVERCOATS!

Unrestrained activity knows no bounds. \$10, \$12 and \$15 are the prices we have put upon about five hundred Suits, in Single, Double Breasted and Cutaway Suits, never before offered in the history of the clothing business at such prices. You'll find in Cheviots, Worsted, Cassimere, Vicunas, etc., from French, English, German and American looms. Words cannot penit for you the rich designs and the countless shapes. Type cannot portray their unsurpassed fit or workmanship or finish. Look at the \$15, \$18 and \$20 others of others. It will do you good. It will do us good, too.

\$10, \$12 and \$15 will do our establishment, during this week, just what you have been calculating on. With \$15, \$18 and \$20, this is our price which we put on hundreds of the best made, the best finished, the best fitting, and the best trimmed Overcoats that ever did a twenty dollar bill justice. Yes, any fabric of high standard known to the art. Shall we sing you the same song of popular names? or suppose you come yourself and look at them. Dollars will do big service in this line all the week.
